

PROPER MAINTENANCE PROCEDURES

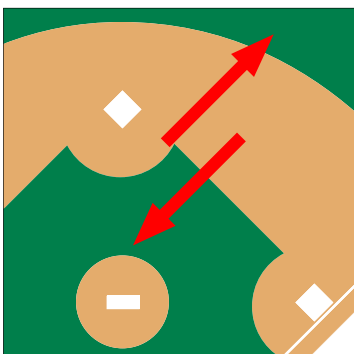

1. When Raking the Baseline ALWAYS Rake UP and DOWN the Baseline. NEVER From Side to Side.

2. When Raking the Infield ALWAYS Rake AWAY from the Grass. NEVER Towards the Grass.

3. When Raking the Pitching Mound ALWAYS Rake AWAY from the Grass Towards the Mound. NEVER Towards the Grass.

4. When Rolling the Tarps Always Try To AVOID Getting Infield Mix Into the Grass.

Please Use A Push Broom To Remove Any Infield Mix From the Grass. Push It Away From the Grass.
